## FINANCIAL POLICIES

Thank you for choosing Women's Health of Augusta for your healthcare needs. We are committed to providing you with the best possible care. Our physicians and staff value you as a patient and hope to establish a relationship based on understanding and excellent communication. Our financial policy is a necessary part of our treatment program. We have outlined the most common financial/insurance issues for your convenience. If you need further information, please ask to speak with our Billing and Insurance office.

---

**INSURANCE:** You must provide your insurance card each visit at check in. Your medical insurance coverage is a contract between you and your insurance company. If you are not sure whether or not your insurance will pay for a particular service, you should check with your insurance company prior to having the service performed. If you have out-of-network insurance, you will be responsible for filing your own claim, and will be required to pay in full at the time of service. Your insurance company requires us to collect co-pays, coinsurance, and deductible amounts. If you do not have insurance, payment in full is expected at the time of service. We accept cash, checks, debit cards and all major credit cards.

**LAB SERVICES:** If your insurance company requires your lab work to go to a specific lab, it is your responsibility to inform our staff. If you do not tell us where to send your lab work, it will be sent to our contracted lab.

**BILLING:** We file your insurance for you as a courtesy. Anything not covered by your insurance is your responsibility. You will receive a bill from us for any balance unpaid by your insurance company. The balance is due upon receipt of the bill. If you need to set up payment arrangements, it is very important that you call promptly to arrange this. Balances are considered past due 30 days after you receive your first bill. If you have not paid your account after 90 days, we reserve the right to cancel any appointments you have scheduled and we may obtain the services of an outside collection agency to collect your balance. In this case, any fees we incur in this process will be added to your balance and will become your responsibility.

**Missed Appointments:** Women's Health of Augusta reserves the right to charge a fee of \$25.00 for missed appointments that you have not provided notification to our office 24 hours in advance. Multiple missed appointments may lead to dismissal of a patient from our practice, upon the physician's discretion.

**FORMS/PAPERWORK:** Forms and paperwork, including but not limited to disability and FMLA, will be filled out for you for a fee of \$10. Payment is due at the time of the request. Paperwork is completed as time permits and you will be notified when it is complete.

**RETURNED CHECKS:** If your check is returned for any reason, we will charge the account an additional \$30, per returned check.

Patients with accounts having a history of nonpayment are subject to being dismissed from this practice.

**MINORS:** All services rendered to minor patients will be the financial responsibility of the adult accompanying the minor.

I have read and understand the financial policy of the practice and I agree to be bound by its terms.
